

KI2510 - Senior Project Manager (m/f/d)

📍 Jawor (Poland) Wrocław (Poland)
Part-time / full-time

Your tasks are

- Project management and control of national and international construction and real estate projects
- Organization, structuring and coordination of planning processes, taking into account costs, deadlines and quality
- Contract and risk management of challenging construction projects
- Interface management between clients, investors and users
- Project organization and coordination

Job requirements

- Successfully completed studies in the field of engineering, architecture or commerce
- Approx. 2-7 years of professional experience ideally in project management, project coordination or engineering coordination
- Excellent English language proficiency, incl. in business contexts and Polish language skills desirable
- Excellent knowledge of MS Office (especially Word, Excel, PowerPoint, Outlook), MS Project and/or Oracle
- Willingness to travel and relocate internationally

We offer

- Participation in interesting, challenging and future-shaping projects nationally and internationally
- Flexible working hours
- Targeted further development of your methodological toolset and personal competencies
- Distinctive team atmosphere within our family-owned company
- Holistic climate protection policy

About us

THOST is one of the leading German companies in project management. From our locations in Germany and abroad, we manage complex projects in the fields of real estate, mobility, IT, plant engineering, infrastructure and energy. With our broad expertise in project management, we serve national and international industrial clients as well as public and private investors.

Projects are our world!
